Mr. Baker,

My name is Jhana Enders and I am the EPA On-Scene Coordinator who responded to the Bachman Services Fire in Oklahoma City on July 24, 2012. Chris Ruhl said he spoke with you about the request Bachman made to potentially sell the runoff water from this site. I have since heard this option might have fallen through. Chris is on vacation and he did not leave me your phone number. I have a meeting with Bachman, ODEQ and the city of Oklahoma on Wednesday [8/15] and would like to follow up if you have time. You can contact me at the cell phone number below or email.

Thanks.
